Clinical Management of Swallowing Disorders Workbook Thomas Murry

This workbook is designed to supplement the textbook *Clinical Management of Swallowing Disorders, Third Edition*. The workbook contains true or false, multiple choice, and fill-in-the-blank questions, along with study topics related to each chapter of the book. The questions are closely connected to the textbook, allowing students to review chapter material and quiz themselves in an efficient manner. The workbook covers all eleven chapters in the textbook and serves to supplement the classroom activities. A unique aspect of the workbook is the inclusion of several projects to help with treatment planning in patients with swallowing disorders.
