Medi-Cross II: 50 Advanced Medical Terminology Crossword Puzzles for Medical, Pre-Med, Nursing, Chiropractic, EMTs, PTs and Other Health Care Professionals and Crossword Lovers (Volume 2)

John McLeod

Medi-Cross II is a continuation of Medi-Cross: 100 Medical Terminology Crossword Puzzles. It is another challenging book of crosswords focused in the areas of anatomy, physiology, biology and all sciences relating to the human body. The formation of medical terms, usually of Latin and Greek origin, enabled scientists to accurately describe the structures, functions and conditions of the body by combining word roots, prefixes and suffixes. Medi-Cross puzzle books were created to assist in the learning and understanding of how medical terms were developed and why they are used, in a fun, non-textbook format that can be taken anywhere for study or review. Linguistic and etymology enthusiasts will find these puzzles interesting and informative, as will students and practitioners of the health sciences.
