Racism, Do you dare go below the surface?: How a white man looks at racism from a long history of racial tension. Jerry Henrie

The white race people have thousands of years of racial tension between the black/arab race. This tension is again growing as millions of blacks and Arabs are immigrating to America and Europe. Both the blacks and Arabs commit rapes by a large amount now, and it is getting worse. Europe is 2nd in rape crimes, second only to Africa. The main stream media hides these facts, not wanting whites to stop race mixing.
