Aidan: Locked and Loaded (Roth & Silver Book 1) Jules Mason

Book ONE in a Romantic Thriller TRILOGY

Former Navy SEAL Aidan Roth built his powerful company Roth Defense with his brother Marcus through his take no prisoners style and his ability to separate truth from lies. He has no interest in helping someone with the last name Silver, least of all his security business rival's sexy and resourceful younger sister, Kassidy. But when the woman he's secretly desired for months begs him for assistance, he can't say no.

Not to helping her catch the embezzler who betrayed her company and attacked her...or to turning an unexpected kiss into a weekend spent relieving the tension as fast and hard and often as possible.

As their plan to trap Kass's assailant turns dangerous, Aidan realizes how far he's willing to go to keep Kass safe—no matter the consequences. Even death.

Please Note: Aidan and Sebastian's Trilogies run on the same timeline, just different points of view.
