**Cozy Mysteries: A Well-Crafted Alibi (Whistler's Cove Cozy Mystery Series Book 2)** Cozy Cat Parker  
When local artist Bill Strickland is murdered, at the opening of his latest exhibition, the idyllic small town of Whistler's Cove is thrown into a state of disarray. Everyone is under suspicion, and it's up to amateur sleuth Misty Williams to get to the bottom of things, and lift the veil of suspicion that has fallen on everyone in town.

But Misty has troubles of her own. She has a new found rival for the love of her life, David Green, and on top of that a large coffee house chain is threatening to move into the area and put her little teahouse out of business.

Will Misty be able to overcome these challenges at the same time as trying to solve the mystery of Bill Strickland's untimely demise?

This second book in the Whistler's Cove series brings back all the most endearing characters from book one: resident gossip Martha Johnstone, terrible cook Elsie Glover, the old men who spend all day playing checkers, and of course Misty's trusty sidekick, that shy old cat Miss Mabel.

"A Well-Crafted Alibi" can be read as a stand-alone and fully contained story, or as part of Misty's ongoing adventures in this delightful cozy mystery series.
