Monty Python's Flying Circus The Complete Unexpurgated Scripts of the Original TV Series Just the Words Volume 2 (2) Graham Chapman, John Cleese, Terry Gilliam, Eric Idle, Terry Jones, Michael Palin

The complete scripts from the four Monty Python series, first shown on BBC television between 1969 and 1974, have been collected in two companion volumes, the first 23 episodes in volume one and the second 22 episodes in volume two. Characters' names--often not spoken--are given as in the original camera scripts, with the name of the actual performer added on their first appearance (usually on the first line of dialogue). Small parts taken by walk-ons have not always been identified. A deliberate decision was made not to include most of the cartoon animations, and in most cases the presence of the cartoon has been simply noted, with occasional reference to the subject matter. The photographs have been taken from video tapes of the series. -- from the Editor's Note/Roger Wilmut
