Personology David Keirse

You can either *play the role* of a *compliant* enterpriser or inquirer, or of an *adaptive* enterpriser or inquirer. You cannot play all four roles at the same time or place. Nor can you play them equally well, because your *temperament* limits your choices. Face it, you're born that way, born with a brain that is different from the brains of some of you companions and the same as the brain of your other companions. Nature trumps Nurture everywhere and always. You've either a *logistical*, or *diplomatic*, or *tactical*, or *strategic* brain to use. Use it or lose it.
