"I read this book when I was getting overwhelmed with the "stuff" that I had in life. Not only did I have a lot of material possessions but I had a lot of activities and relationships in my life that didn't need to be there. I purchased this book on a whim because I was somewhat interested in simplifying my life, I was amazed at how this quick and easy process guided me through a process which led me to have a higher quality of life overall. I really liked how this book didn't focus only on the material possessions but also on the relationships and my thoughts. **Well worth my money!"**
