‘As a festive love story, this book has it all: romance, an engaging heroine you feel you could be friends with, a handsome caring hero...lots of warmth and humour and **plenty of snow.**’ – PortobelloBookBlog

Step into a winter wonderland and fall in love in the snow this Christmas...

Let it snow, let it snow, let it snow...

A few weeks before Christmas and a sudden blanketing of snow has closed the roads and brought public transport grinding to a halt, stranding Izzy miles from home and in desperate need of rescuing.

That doesn't mean she's looking to bump into Rob and spend a cosy weekend holed up in his swanky flat watching London become a winter wonderland! Because Izzy and Rob have history...

Six months ago, they were standing in the vestry of a beautiful country church, while best man Rob delivered the news that every bride dreads on their big day.

But at the time of year when anything is possible, can Rob and Izzy let go of the past and let Christmas work its magic? Or will this be one holiday wish that Izzy lets walk right out of her life...
