**Changing Cultural Landscapes: How Are People and Their Communities Affected by Migration and Settlement? (Investigating Human Migration & Settlement (Paperback))** Marina Cohen

Culture gives humans a sense of identity. This title examines how cultures around the world mix and change in response to migration and settlement. This fascinating book examines examples from history including: the slave trade and the impact of African culture on North America and then the world; the forcing of Native Americans to adopt European culture; and the cultural interchange between the British Empire and India.
