Christy Huddleston's dream was to teach the poor mountain children. But she never imagined that the treacherous journey into the heart of the Smoky Mountains would bring danger into the lives of one mountain family.

Join Christy as she crosses the bridge from the familiar world of parties and pretty things into the strange, new world of Cutter Gap. There she meets the country doctor, Neil MacNeill, who needs her help to save a man's life. And the handsome young minister, David Grantland, rescues Christy when her own life is in danger, and helps her face the challenges of teaching - and loving - the proud mountain people.
