Anne Francis: The Life and Career Laura Wagner

This first-ever biography of American actress Anne Francis will enlighten her casual fans and earn a nod of agreement from her diehard admirers. The star of such 1950s cinematic classics as *Bad Day at Black Rock*, *The Blackboard Jungle* and *Forbidden Planet*, Anne made the risky decision to transplant her talents to television--and as a result, her acting has often been taken for granted. But TV supplied her with the groundbreaking title role in *Honey West* (1965-66), where she became the first leading actress to portray a private detective on a regular weekly series.

All of Anne Francis' film and television appearances are chronicled, including a full episode guide for *Honey West* and a complete listing of her guest roles on such series as *The Twilight Zone*, *The Untouchables* and *Murder, She Wrote*.
