Discover Your Roots Whether you drive a truck, wait tables, work in an office, or ferry the kids to and from soccer practice, Chuck Swindoll understands that your world is practical, earthy, tough, and relentless. Growing Deep in the Christian Life takes theology out of the ivory tower and enables you to apply it to where you live every day. The basics of the faith are the roots from which we draw emotional stability, mental food for growth, and spiritual energy and perspective on life. Growing Deep in the Christian Life offers an easy-going and practical approach that reviews ten key doctrines and shows their power to strengthen and encourage you in faith. Swindoll says, "By returning to our roots, we determine precisely where we stand. We equip ourselves for living the life God designed us to live." Growing Deep in the Christian Life helps you dig deeper and discover the essentials of the faith--essentials that enable you to experience Christian discipleship at a richer and more mature level.
