Our Feature Presentation: Management adds excitement and relevance to management through selected film scenes from popular film releases. This unique product combines a workbook with actual film clips on CD and Video, eliminating the need to purchase or rent costly videos. Film provides your students a visual portrayal of abstract management concepts and provides inexperienced students a greater feeling of reality and connection to the topic. Further, there are many unique aspects of film such as editing, sound, framing, and focusing techniques that make it a powerful communication device that often goes beyond what we can experience in reality. Equally powerful are the reactions of the varied responses of the viewer that can spark lively debate.
