What's not to like? It consists mostly of scriptures under topic headings. Historical FACTS are given under some topics. Anyone who opposes this publication must either have blind hatred for Jehovah's Witnesses or the bible OR they simply didn't read this publication AND hate Jehovah's Witnesses. Please do NOT let the hatred of others keep you from doing your own thinking. I have learned to think for myself in all areas of life since I began thinking for myself when I chose to read the bible regard of what others said. I found that many people are misinformed about Jehovah's Witnesses because they listen to others and not do their own research.
