Coco's Secret Niamh Greene

Niamh Greene's new novel *Coco's Secret* is a deeply moving reinvention story that will be enjoyed by fans of the modern day fairytales of Cecelia Ahern. Throw in Niamh's unique brand of heart-warming storytelling and readers are in for a real treat.

Coco Swan has always been embarrassed by her name.

With a name like Coco, she thinks people expect her to be as exotic and glamorous as the famous designer, not an ordinary-looking small-town antiques dealer who could win an award for living cautiously.

But when a vintage Chanel handbag turns up in a box of worthless bric-a-brac, Coco's quiet world is turned upside down. Where did it come from? And is it just coincidence that it's the same bag Coco's late mother always wanted for her?

When Coco discovers a mysterious, decades-old letter hidden in the bag's lining, she sets off on a quest to piece together the story behind it, stumbling across secrets that span three generations as she goes.

Could the beautiful Chanel bag be about to teach Coco more than she wants to learn? Or will it show her just where her heart can take her if she lets it lead the way?

Coco's Secret is a gripping and thoroughly satisfying story about a young woman finally finding courage to become the kind of woman she always had it in her to be. It will go straight to readers' hearts just like her previous bestselling novels, including the bestselling and award-nominated *Secret Diary of a Demented Housewife*. Her other novels are *Confessions of a Demented Housewife*, *Lessons from a Love Rat*, *Rules for a Perfect Life* and *A Message to Your Heart*.

From reader reviews:

Georgia Martinez:

Book is to be different for each grade. Book for children till adult are different content. As you may know that book is very important for us. The book Coco's Secret ended up being making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The reserve Coco's Secret is not only giving you far more new information but also to become your friend when you really feel bored. You can spend your spend time to read your publication. Try to make relationship while using book Coco's Secret. You never truly feel lose out for everything in case you read some books.

Babara Lopez:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is inside the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Coco's Secret as your daily resource information.

Virginia Swain:

Is it you who having spare time subsequently spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Coco's Secret can be the response, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Sharon Bedgood:

As we know that book is very important thing to add our expertise for everything. By a book we can know everything we really wish for. A book is a group of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This e-book Coco's Secret was filled regarding science. Spend your free time to add your knowledge about your technology competence. Some people has different feel when they reading a new book. If you know how big advantage of a book, you can feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you just wanted.
