Katy Short doesn't want to be on The World Races. She's not a social butterfly like her brother (and partner) Brodie. In fact, she's just as happy to end up in last place as in first.

But when her brother makes a selfish move that pairs her up with silent and surly rock star Liam Brogan, everything in the race changes. Now Katy's fighting to stay out of the Loser Lodge, just so she won't have to suffer through all that alone time with Mr. Tall, Dark and Arrogant.

Except Liam? Kinda hot. He's sexy, pierced... and not nearly as surly as she thought. There's one good thing about a game with partners -- lots of one-on-one time...

This is book two of the Games novels, sexy contemporaries with a reality TV twist. Check out WICKED GAMES, starring Abby and Dean as they meet (and clash) on Endurance Island.
