Sinner (The Hades Squad Book 1) (Volume 1) Jianne Carlo

This book is a rerelease of an older title originally published in 2009 as “Paratrooper in a Pear Tree”—it has been edited and expanded from the original version. Navy SEAL Sinner’s trapped in a blizzard with Destiny, a woman travelling with porn DVDs, whips, & cuffs. When the electricity fails, there’s only one way to stay hot. Navy SEAL Sinner is no choir boy. Deployed to fight an out-of-control brush fire in Alaska, Sinner is the last smokejumper to exit the plane. Sinner veers off course, his chute fails, his reserve opens, and he’s knocked unconscious when he lands in a pear tree. Sinner awakens in a cabin to the sight of a woman with the face of a Madonna and the body of a stripper tending to him. Destiny is in Alaska, armed with whips, cuffs, and copies of “classic”—who knew?—porn movies, to “sex up” former bestselling author Nadine Roland’s latest manuscript. It’s make or break it time for Destiny, career wise. The last thing she needs is a car that won’t start, a fricking blizzard, and a SEAL named Sinner who thinks she’s into BDSM because of her “toys.” Sinner doesn’t believe Destiny is a book editor, not for a second. He knows they’re trapped in the cabin for at least two days. When the lights go out, Sinner knows exactly how he’s going to stay warm.
