Clinical Biochemistry: An Illustrated Colour Text, 2e Allan Gaw MD PhD FRCPath FFPM PGCertMedEd, Denis St. J. O'Reilly MSc MD FRCP FRCPath, Michael J. Stewart PhD FRCPath, James Shepherd MD

This book covers all the clinical biochemistry needed by undergraduate medical students. It is an Illustrated Colour Text with the subject matter divided into double-page spreads; this makes the information very accessible to the reader. The whole orientation of the book is to concentrate on how clinical biochemistry relates to the care of the patient and to ensure that the medical student understands how to interpret laboratory results. By contrast, the reader is not overburdened by descriptions of laboratory techniques.

Spanish version also available, ISBN: 84-8174-523-5
