"Well-behaved women seldom make history." -Laurel Thatcher Ulrich

Many awe-inspiring women have changed the course of history. From fighting for social justice and women's rights to discovering and shaping our amazing country, women have left an indelible mark on our past, present, and future. But it's not easy to affect change, and these women didn't always play by the rules to make a difference! Kathleen Krull blends history and humor in this accessible young biography series.

Dolley Madison had a strong will and unique personality that made her one of the most memorable First Ladies. From hosting parties for Washington D.C.'s social and political elite to saving a portrait of George Washington before the British burned down the White House in the War of 1812, Dolley did it all!
