Bunny Money Stephen Krensky

In this sweet story, four bunnies try to buy a hat for their mama. The hat costs \$1.00... Do they have enough money? When they go to the store the little bunnies discover that by combining their quarters, dimes, nickels, and pennies, they'll have what it takes to buy the hat! This book comes with 85 stickers and a foldout play scene so little ones can spend their own "bunny money"! Both fun and timely, this sticker storybook is a perfect introduction for little ones who are learning about money and its values.

From reader reviews:

Laura Mason:

The book Bunny Money can give more knowledge and also the precise product information about everything you want. Why then must we leave the great thing like a book Bunny Money? Several of you have a different opinion about publication. But one aim in which book can give many details for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or facts that you take for that, you may give for each other; you are able to share all of these. Book Bunny Money has simple shape but the truth is know: it has great and large function for you. You can appear the enormous world by wide open and read a guide. So it is very wonderful.

William Tietjen:

Nowadays reading books be than want or need but also be a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with training books but if you want truly feel happy read one using theme for entertaining such as comic or novel. The particular Bunny Money is kind of book which is giving the reader unpredictable experience.

Renee Middleton:

This Bunny Money is great e-book for you because the content that is full of information for you who else always deal with world and possess to make decision every minute. This book reveal it information accurately using great coordinate word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with splendid delivering sentences. Having Bunny Money in your hand like keeping the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen second right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. hectic do you still doubt in which?

Martina Lassiter:

In this period globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. Often the book that recommended to your account is Bunny Money this book consist a lot of the information on the condition of this world now. That book was represented how can the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Here is why this book ideal all of you.
