Little Buggy Kevin O'Malley

Little Buggy is determined to learn to fly--*today*. But flying is not as easy as it looks. It takes a few falls, a lot of patience, and plenty of gentle encouragement (and help up off the ground) from Dad. Some bugs might give up . . . but *not* Little Buggy.

Popular illustrator Kevin O'Malley has created a funny and warmhearted father-son story perfect for any child who must tackle something difficult for the first time, and for parents having a hard time letting them fall. With the inspiring message that learning something new isn't easy--but success can come when you least expect it--this book is the ideal gift for adventurers of any age.
