## **Excerpt From Driving Me Hot**

“We walked silently across the parking garage floor, our footsteps echoing around the concrete walls, the only sound in the otherwise silent space.

She reached out her hand towards me. I met her halfway, lightly touching her fingers as we walked. She clicked her keyring, and a menacing looking BMW 7 series awoke in the corner, lights blinking on and interior light illuminating the leather and wood interior.

We climbed in and I sank back into the deep, soft leather seats.

“Are you ready for a ride?” she asked. She winked at me, and I was completely in her power. I nodded and she gunned the engine. It’s soft engine note rose, and echoed off the walls of the garage, as we glided out of the exit and onto the road.”
