Rather than simply attempting to deal with aspects of this subject which have already been dealt with, author Fred DeRuvo tackles the claims against the PreTrib Rapture from another perspective. He deals with the plausibility of a few men being able to pull off what has got to be the greatest hoax the church has ever known...if it actually was a hoax. Beyond this, DeRuvo also deals with many other claims by the Anti-PreTrib Rapturist, finding out if these claims hold any water at all.
