When thundering hip-hop begins to rumble up through the floor of Sasha's office, she already knows that it's going to be on her, the sole black woman, to reason with these loud men downstairs. Unfortunately, the new body shop below is not interested in hearing Sasha out, and suddenly her job could be on the line.

Now, this queen of the office is doing anything that it takes to please this horny clan of auto shop thugs, resulting in a hardcore gangbang that will have your jaw on the floor.

This erotic short is 4,100 words of group sex between a queen and her thugs, worshipped in every hole like the goddess that she is. It features double penetrations, facials and sizzling dark-skinned lovers in the troughs of passion.
