What I Gave to the Fire breaks the barrier of silence surrounding miscarriage, a common yet rarely talked about experience in the lives of many women. An intimate account of the emotional and spiritual fallout from the author's second miscarriage, the story weaves a detailed narrative of her inner journey to express unspoken feelings, memorialize invisible loss, and recover her shattered faith. She turns to writing as a tool for healing, which evolves into a form of prayer that helps her face the difficult decision of trying to conceive again. Profound inner shifts lead to remarkable transformation as she encounters new landscapes which inspire her to reclaim her fertile, creative energies. A blend of memoir, journal entries, and written prayers, this story takes the reader by the hand, offering companionship, compassion, and hope to those who feel alone in their grief over the loss of miscarriage.
