Aliens Omnibus Volume 3 (v. 3) Kilian Plunkett

The old saying "You can't unbreak an egg" holds true, especially when that egg unleashes an interstellar scourge, the dreaded Alien. But as dangerous and lethal as this species has proven itself time and time again, some men cannot resist the awful gravity of the creatures' potential when merged with human science... and arrogance... and lust for power. But the cold contracts of these deals with the Devil also bring out the best in humanity, and the awful crucible of struggle against this interstellar cancer brings man closer to his neighbors... and to his God.
