A New York Times Bestseller! The Guardians of the Universe have gone mad! To preserve order, they have decided that all free will must be eradicated by their new Third Army - emotionless drones whose sole purpose is to convert living creatures into soulless beings like themselves.

How can the Green Lanterns stand against them? Hal Jordan is dead, Guy Gardner has been stripped of his ring and his powers, and John Stewart and Kyle Rayner have been called into deep space on seemingly impossible missions.

The remaining ring-wielders - along with a most unexpected new human Green Lantern - will unite to take on the mad Guardians. But will their desperate assault unleash an even greater evil...?
