Pictures Showing What Happens on Each Page of Thomas Pynchon's Novel Gravity's Rainbow Zak Smith

One Picture for Each Page: An Illustrated Gravity's Rainbow features the work of an Ivy League-educated, punk-rock, porn-star visual artist who has created a drawing for every page of a novel that is widely considered to be the most difficult work of literature ever produced in English.

Thomas Pynchon's *Gravity's Rainbow* (1973) has been called a modern *Finnegans Wake* for its challenging language, wild anachronisms, hallucinatory happenings, and fever-dream imagery. With *Pictures Showing What Happens on Each Page of Thomas Pynchon's Novel Gravity's Rainbow*, artist Zak Smith at once eases and expands readers' experience of the twentieth-century classic. Smith has created more than 750 pages of drawings, paintings, and photos—each derived from a page of Pynchon's novel. Extraordinary tableaux of the detritus of war—a burned-out *Königstiger* tank, a melted machine gun—coexist alongside such fantasmagoric Pynchon inventions as the “stumbling bird” and “Grigori the octopus.” Smith has said he aimed to be “as literal as possible” in interpreting *Gravity's Rainbow*, but his images are as imaginative and powerful as the prose they honor.
