The Last Detective: A Peter Diamond Mystery Peter Lovesey

Detective Superintendent Peter Diamond is the last detective: a genuine gumshoe, committed to door stopping and deduction rather than fancy computer gadgetry. So when the naked body of a woman is found floating in the weeds in a lake near Bath with no one willing to identify her, no marks and no murder weapon, his sleuthing abilities are tested to the limit. Struggling with a jigsaw puzzle of truant choirboys, teddy bears, a black Mercedes and Jane Austen memorabilia, Diamond persists even after the powers-that-be have decided there s enough evidence to make a conviction."
