The new Seventh Edition of the widely popular text from Sergiovanni and Green, *The Principalsip*, gives readers an authoritative look at where and how principals spend their time, standards that inform their behavior, and the competencies they need to master in order to be effective. In it, a new theory for the principalsip is advocated that encourages practitioners and students to aspire to the highest good for themselves and all stakeholders. The book addresses today's most current issues; includes updated research on the principalsip; features video clips and Self-Check Quizzes (in the Pearson eText only) and scenarios illustrating important concepts; and continues to focus on leadership as a moral craft that advocates imagination, creativity, and ethical integrity.
