Christianity is all about the Grace God showered on man through His Son, Jesus Christ. Grace became not only the ingredient that makes a Christian walk fruitful, but also the hallmark of Faith. Unfortunately, many Christians are living beneath their Spiritual birthright, struggling to survive, defeated and oppressed by the Devil. This concurs with what the Scripture says, "My people are destroyed for lack of knowledge." Knowing the Bible is one thing, but understanding the Word of God is another. The author has brought to the reader a thorough biblical principle of Grace as it relates to practical life. Dr. George Agbonson shared several Heavenly encounters in this book as a testimony to what the Bible teaches concerning our inheritances in Christ Jesus. The reader will not only understand the dynamics of Grace and its applications, also come to a state of experiencing God in a new dimension. This book is a masterpiece for those who hunger and thirst for God, those that desires exploits in their generation.
