Encyclopaedia Britannica Interactive Science Library Earth, Space, Humans

The *Encyclopaedia Britannica 3-Book Interactive Science Library: Earth; Space; Humans* is a captivating and effective learning and entertainment center for people of all ages. The set includes:

- 1 SD-X Interactive Reader, a battery-powered scanning pen that reads the words on the book pages and offers audio content such as facts, sound effects, and cross-references to other pages in the book.
- 3 fact-filled science books from the editors of Encyclopaedia Britannica.
- 2 AAA batteries that power the SD-X Interactive Reader.

The *Encyclopaedia Britannica 3-Book Interactive Science Library: Earth; Space; Humans* covers topics that long have fascinated readers of all ages. Each hardcover, 80-page book is filled with factual text, and highly detailed photographs and illustrations. Here is a brief description of each of the books:

- *Earth*. Includes data on Earth's formation, rocks and minerals, volcanoes and other dramatic events, weather and climate.
- *Space*. Includes information on the solar system and beyond, and man's efforts to explore space. The illustrations are especially enlightening.
- *Humans*. Includes captivating facts and descriptions of early man, inventions and technology, and the human body. The book is an excellent introduction to man, his evolution, and his accomplishments.

The SD-X Interactive Reader works only with six Encyclopaedia Britannica science books. The other three books (along with a Reader) are available as a set, and a library of all six books (along with a Reader) is available. The SD-X Interactive Reader and the six books also are sold separately.
