Celia's ready to face her punishment. She's tired of trying to run from it, and the remnants of the lurid drawing she'd created on the gorgeous Tag's chest was proof aplenty of her wrong doing. What she didn't count on was her punishment being witnessed by other team members or that her punishment would involve a very long enema tube and a very tiny, pink plastic porta-potty. Before long, Tag's powerful arm is setting Celia's bottom aflame and she is quickly second guessing her once seemingly logical choice of attempting to humiliate her college's star soccer player. Now it's up to Tag to give Celia an adjustment in perspective.

WARNING: This story contains graphic sexual situations and is intended for audiences 18+ years of age. It includes a graphic description of:
