Life is a complex journey, and each of us must find our own way. But sometimes we take a wrong turn and get lost. When that happens we have to backtrack and begin again. We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith, while older Christians are feeling a need to turn their own lives around. Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly, explain simply, follow faithfully, and share with others. This is a book for those who want to practice Christian faith as a way of life, not merely accept it as a system of doctrine. We are not lost in a trackless, twenty-first-century spiritual wasteland. There is a Way that can lead us home to God. We have companions on the journey, and the Good Shepherd himself will guide us. Finding the Way calls us to brave the steep, upward journey with Jesus-to rededicate ourselves boldly to the imitation of Christ.
