The Cutting Edge Practices Series is designed for educational systems interested in maximizing quality control in their organization. This book exemplifies best practices on how to cope with the high stakes mandated testing environment facing school administrators, parents, and students. These six authors, representing over 220 years of professional experience in public education, share what they have learned that will positively impact student test achievement. Educational administrators and instructors can glean much wisdom in their efforts to raise the achievement levels of students on state-mandated tests.
