The Bill McKibben Reader: Pieces from an Active Life

Bill McKibben

The Bill McKibben Reader: Pieces from an Active Life Bill McKibben

Powerful, impassioned essays on living and being in the world, from the bestselling author of *The End of Nature* and *Deep Economy*

For a generation, Bill McKibben has been among America's most impassioned and beloved writers on our relationship to our world and our environment. His groundbreaking book on climate change, *The End of Nature*, is considered "as important as Rachel Carson's classic *Silent Spring*"* and *Deep Economy*, his "deeply thoughtful and mind-expanding"** exploration of globalization, helped awaken and fuel a movement to restore local economies.

Now, for the first time, the best of McKibben's essays?fiery, magical, and infused with his uniquely soulful investigations of modern life?are collected in a single volume. Whether meditating on today's golden age in radio, the natural place of biting black flies in our lives, or the patriotism of a grandmother fighting to get corporate money out of politics, McKibben inspires us to become better caretakers of the Earth?and of one another.

**The Plain Dealer* (Cleveland)

**Michael Pollan
