## **Torah as a Guide to Enlightenment** Gabriel Cousens M.D.

Inspired by intense studies, meditation, and a variety of teachings from the great Torah sages, best-selling author Gabriel Cousens, MD, presents the fifty-two parashas of the Torah as a practical path to liberation. His interpretation, which focuses on enlightenment, what he feels is the original intention of the Torah, provides a multidimensional analysis and a perspective that is often missing from conventional teachings. *Torah as a Guide to Enlightenment* conveys liberation understandings not only to those with Jewish and Christian backgrounds, but to anyone seeking to reconnect with their spiritual roots.
