**Crime Over Time: Temporal Perspectives on Crime and Punishment in Australia** Robyn Lincoln and Shirleene Robinson

Crime Over Time features original contributions from some of Australia's most respected criminologists and historians. The book marries these two disciplines to offer a unique examination of crime and deviance over more than 200 years of Anglo-Australian history. This innovative compilation explores the intriguing ways in which Australian crime has evolved and the pioneering ways criminal justice agencies have dealt with offenders. The topics investigated range from colonial bushranging to terrorist attacks, along with emerging forms of criminal activity, such as cybercrime. The book also highlights the social construction of crime by using case studies, including the way that homosexual activity was policed in earlier times. The collection provides an engaging and thorough examination of the historical factors that have shaped crime and punishment and its contemporary context.
