Love calls across the centuries in the River of Time Series.

**WATERFALL:** Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot, boring, and dusty archeological site ... until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth-century Italy.

**CASCADE:** When Gabi and Lia find themselves back in the fourteenth century—and in the middle of major battles alongside romantic knights in shining armor—they have no idea if they can get back. Or if they even want to.

**TORRENT:** When Gabi and Lia finally learn to surf the river of time, they realize they must make hard choices about life and love in *Torrent*, the third and final book in the River of Time series.
