The Poetry of James Joyce Reconsidered (Florida James Joyce)

The Poetry of James Joyce Reconsidered (Florida James Joyce)

“An indispensable collection of essays that should inspire new interest in Joyce’s poetry, both for its own sake and for its relationship to the prose works.”—Patrick A. McCarthy, coeditor of the *James Joyce Literary Supplement*

“The authors demonstrate collectively that the lyric poems reward—and will continue to reward—greater attention than they have hitherto received. The collection as a whole should inspire the next generation of Joyceans to foreground *Chamber Music* and *Pomes Penyeach* in their scholarship and in their teaching.”—Victor Luftig, coeditor of *Joyce and the Subject of History*

To many, James Joyce is simply the greatest novelist of the twentieth century. Scholars have pored over every minutia of his public and private life—from utility bills to deeply personal letters—in search of new insights into his life and work. Yet, for the most part, they have paid scant attention to the two volumes of poetry he published.

The eight contributors to *The Poetry of James Joyce Reconsidered* convincingly challenge the critical consensus that Joyce’s poetry is inferior to his prose. They reveal how his poems provide entries into Joyce’s most personal and intimate thoughts and ideas. They also demonstrate that

Joyce’s poetic explorations—of the nature of knowledge, sexual intimacy, the changing quality of love, the relations between writing and music, and the religious dimensions of the human experience—were fundamental to his development as a writer of prose.

This exciting new work is sure to spark new interest in Joyce’s poetry and will become an essential and indispensable resource for students and scholars of his life and work.

Consequently there are a lot of benefits that you will get when you buy this book.

Mary Bessler:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Poetry of James Joyce Reconsidered (Florida James Joyce) can make you feel more interested to read.
