The Supreme Court's Greatest Hits 2.0: Updated and Expanded

Containing more than one hundred hours of Supreme Court oral arguments as well as opinion pronouncements from the bench, this two-CD-ROM set highlights the recent landmark cases *Bush v. Gore*, *United States v. Morrison* (Violence Against Women Act of 1994), and *Boy Scouts of America v. Dale*. The updated version showcases Supreme Court justices grappling with some of the thorniest issues in American politics and then speaking to the American people to explain the Court's decisions.

The first edition was widely praised as the most accessible and authoritative collection of Supreme Court oral arguments, and the *ABA Journal of the American Bar Association* labeled the multimedia masterpiece "incredibly cool and addicting."
