The Theta Patient Chris Dietzel

After receiving three new patients at the mental institution he runs, Dr. Bradburn is immediately visited by an agent of the Tyranny who insists one of the men is a radical. Only by asking each patient a series of questions will the supposed threat be identified. But the questions Dr. Bradburn is told to ask will make him rethink everything he knows about the world around him:

- Do you believe in time travel?
- Is the world a better place today than it was a hundred years ago?
- If you could go back in time and change any event, what would you change?

A Theta Timeline short story.
