Alfred Barnard

The Whisky Distilleries of the United Kingdom Alfred Barnard

Around 1885, Alfred Barnard was secretary of *Harper's Weekly Gazette*, a journal dedicated to the wine and spirit trade. In order to provide his readers with the history and descriptions of the whisky-making process, Barnard decided to visit each distillery in Scotland, England and Ireland. Accompanied by friends, he visited over 150 distilleries. The names found in his reports still excite the dedicated whisky connoisseur today, as well as others whose fame has faded at the turn of the 19th century. The appeal of Barnard's book lies not only in the technical descriptions of each distillery's processes, but also in the colourful descriptions of his journeys, brimming with historical colour and detail. A superbly illustrated facsimile edition, with over 200 engravings, this book is a complete guide to the origins of Scotland's national drink, as well as a lively picture of life and travel in the Victorian age.

This new revised edition has finally gathered together all of Alfred Barnard's writings on the whisky distilleries of the United Kingdom, making it the definitive collection on the subject. The new material that has been added includes: 'A Visit to Pattison & Elder & Cos, Leith, and Glenfarclas-Glenlivet Distillery', 'Willie Brewed a Peck o' Maut: A Run Through Some Famous Scotch Distilleries: Bunnahabhain Islay; Glen Rothes-Glenlivet; Tamdhu-Glenlivet & Glenglassaugh Banffshire', 'John Walker and Sons', 'How to Blend Scotch Whisky', and 'Dalmore'.
