Holy Week changed the world, with the Cross as the turning point for all humankind. But it is also six days of amazing contrasts—from the joyful celebration of the Triumphal Entry to the Passion only days later. In between are days of both high drama—as in the confrontations in the temple—and high pathos—as in the Upper Room and Gethsemane. For people who have never thought about how these episodes fit together, this series seeks to bring all these conflicting events and emotions into a unified whole.

### Session One

#### The Triumphal Entry

Christ entered Jerusalem in honor as a king.

Luke 19:28–44

Palm Sunday is, at best, "a day of temporary triumph," says Wallace Viets. At worst, it is an illustration of the "fickle nature of the voice of the people." It's a day that lifts us with shouts of praise, but just a few days later we see denial, betrayal, and unfaithfulness. It all culminates in the glory of the Resurrection. But it began on Palm Sunday, a day of applause.
