## **Ignite the Soul: The Art of Figure Drawing** Han Dai-Yu

*Ignite the Soul: The Art of Figure Drawing* contains everything you need to learn to master the challenge of drawing the human figure. Uniting concepts from Chinese calligraphy and Western traditional art, Han Dai-Yu maps out a step-by-step approach suitable for both established artists looking to transcend their current approach and novices looking for a way to begin.

**Part One: The Fundamentals.** Gesture drawing, proportion, measurement, balance, rhythm and the concept of mass and space are all explored to help the artist loosen up.

**Part Two: Anatomy.** Emphasis is placed on how to construct the muscles and bones from the standpoint of an artist as opposed to a scientist.

**Part Three: Advanced Drawing Techniques.** Beyond the primary focus on structure and value, the last section entertains students with Chinese parables in an effort to take them beyond daily practice and to a place where they can bridge the gaps in their own technique and learn to explore themes.

*Ignite the Soul* is an excellent tool for teaching technical skills, while also recognizing, supporting, and encouraging the creative spirit and artistic process.

**Illustrated entirely with drawings rendered by the author to demonstrate the oneness of theory and practice.**

**Han Dai-Yu** received his B.F.A. and M.F.A. from the China National Academy of Art. From 2001-02, Dai-Yu prevailed as an Artiste dans la Residence et La Cite Internationale des Arts Paris and then spent 2002-06 in the U.S.A as a visiting scholar and artist. He was the founder of a Chinese Comprehensive Art program and taught drawing and painting classes for over ten years.
