Word Problems GMAT Strategy Guide (Manhattan GMAT Instructional Guide 3)

Manhattan GMAT

Word Problems GMAT Strategy Guide (Manhattan GMAT Instructional Guide 3) Manhattan GMAT Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach.

The Word Problems Guide demystifies the most challenging of math questions on the GMAT—the word problem. This book equips students with broad, powerful strategies, as well as specific tools, for tackling GMAT word problems in all their various guises.

Unlike other guides that attempt to convey everything in a single tome, the Word Problems Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth.

Used by itself or with other Manhattan GMAT Strategy Guides, the Word Problems Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT.

Purchase of this book includes one year of access to Manhattan GMAT's online computer-adaptive practice exams and Word Problems Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.
