#### **Anthony Jones:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Best of Sleep Medicine 2010: An Annual Collection of Scientific Literature can make you

truly feel more interested to read.
