Aaron Tolleson:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there.

Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
