## The Bee Tree Patricia Polacco

When Mary Ellen gets bored with her reading, Grandpa knows a hunt for a bee tree is just what she needs. Half the town joins the exciting chase, but it's not until everyone returns home that Mary Ellen makes a discovery of her own: Sometimes, even the sweetest of things must be worked for. Polacco has created another charming picture book featuring a child learning from a grandparent in an idyllic pastoral setting. Both the writing and artwork are fresh and inviting. *School Library Journal*, starred review. The newest gem from Polacco's treasure chest of family stories extols the virtue of reading and of taking a study break. Like Mary Ellen, readers will emerge refreshed from this respite, ready to seek out new adventures. *Publishers Weekly*. Young readers will savor this. *The Horn Book*. Patricia Polacco lives in Union City, MI.
